

FJD GM22 ELECTRIC CYLINDER MOWER

Revolutionize your mowing experience with pure electric power

FJD GM22

Enjoy premium lawn care with the FJD Electric Walk-behind Cylinder Mower GM22. This eco-friendly mower runs on 100% electric power and can cover up to 7000 m² on a single charge. With its four-direction floating head, one-screen operation, and one-click backlapping feature, you can mow your lawn like a pro with ease and efficiency.

SIMPLE TO USE

ONE SCREEN OPERATION

You can easily adjust the travel speed and mowing frequency, as well as access the sharpening or mowing functions.

DUAL DRIVING OPTIONS

Effortlessly drive the mower by pressing physical buttons or holding the lever, and easily adjust the mowing speed with convenient buttons.

CUSTOMIZE YOUR HANDLE LEVER

The GM22 lets you adjust the handle lever to your liking with three positions.

FLEXIBLE CUTTING UNIT SUSPENSION

Achieve a perfect cut on any terrain with GM22's four-direction floating head design. It adapts to slopes, bumps and curves, ensuring an even and smooth cut across your lawn.

GO GREEN AND SAVE ENERGY

100% ELECTRIC

FULL OF POWER

HASSLE-FREE MAINTENANCE

MOWING FREQUENCY ADJUSTMENT AT EASE

Easily adjust your mowing frequency after replacing blade with FJD intelligent control system. No professional skills or tools required.

BLADE SHARPENING EFFORTLESSLY

No need for additional tools or devices, saving you at least 30 minutes of your daily sharpening time. Backlapping also extends the life of your blade and reduces wear and tear.

EASY MAINTENANCE

No more mess with oil, air filter, spark plugs. Less time and money spent with GM 22 as it requires no engine maintenance or upkeep.
